Fitness Class Descriptions:

15 Min Abs/TRX Core ☺

Fast paced abdominal routine performed with different types of equipment that blast abdominal region.

Aqua Arthritis ☺

Class improves joint flexibility, reduces pain, and stiffness while supported by the water's buoyancy and resistance.

Aqua Fusion ☺

This class will combine multiple formats to improve your overall level of fitness. A mix of strength and endurance exercises held in the shallow lap lanes, the instructor may also take you into the deep water diving well. Enjoy the buoyancy of the water while reducing impact on your joints.

Bike & Body **

30 Minutes of intense Cycling and 30 minutes of weights. Workout focuses on abdominals, upper, lower body or combination of all 3 components for an awesome workout. May also incorporate TRX® suspension bands.

H.I.I.T. & Tone **

High Interval training that consists of cardio, active recovery and strength moves using weights.

H2O BootCamp ☺

Based on traditional Boot Camp style with Aqua drills & Thrills! A series calorie burner and best of all FUN!

H2O Let's Go ☺

Weights, cardio & resistance to get your morning going.

H2O Tae-Bo ☺

Total body workout using kickboxing techniques.

H2O Total Body Splash ☺

Using aqua weights and noodles to improve endurance, muscle strength and coordination without the impact on your joints.

Indoor Cycling / Location: 2nd Floor Cycling Area **

Fun and challenging endurance strength workout. Simulate outdoor cycling with sprints, climbs and cadence drills.

Kickboxing Circuit**

A fusion of intermediate martial arts techniques with cardio exercises and kickboxing master bags incorporating body conditioning, calisthenics, and more.

Mat Pilates**

Condition the body from the inside out. Focus on core stabilization, muscle balance, proper alignment, strength, and flexibility. Based on founder Joseph Pilates. Bring sticky mat.

On the Ball ☺

A unique and fun approach to fitness by using stability balls to work on core balance. Bands and weights are used to shape and strengthen muscles, and TRX straps are used for stretching and flexibility. Be ready to have a blast! Let's roll!

RIP ☺

Complete body workout using barbells and adjustable weights to tone and condition muscles while raising metabolic rate for rapid fat-burning.

Sunrise Yoga ☺

Strengthen, stretch, and balance the body using Hatha Yoga practices and techniques.

We offer many classes featuring a large range of classes to the beginning user to elite user.

Beginner : *

Intermediate : **

Advance: ***

All Levels: ☺

Tai Chi Chuan ☺

Based on unique principles, including the emphasis on developing qi mastery. Qigong is the practice of developing greater awareness & control over the inner life energy for therapeutic and healing purposes.

Tighten N Tone (T.N.T.) ☺

Learn proper body placement while using resistance. Endurance, range of motion, flexibility, posture, muscle strength and bone density will improve using weights and resistance tubing. Bring a mat.

TRX Circuit***

Total Body Resistance Training using adjustable straps and other equipment for multi-plane workout.

Zumba ☺

A fusion of Latin and International music - dance themes that create a dynamic, exciting, effective fitness workout! Routines feature easy to follow dance steps combined with body sculpting movements.

Zumba Combo ☺

Exercise to Latin dance moves, learn to use the "step" and incorporate light weights for a combo workout experience.

**CLASSES BELOW ARE FREE TO ALL
SILVERSNEAKER MEMBERS:**

BOOM

BOOM is a three-tiered program specially designed to service the needs of the active older adult population. Each class will include action (BOOM Muscle), dance (BOOM Move It), and mind/body (BOOM Mind) formats to cater to the specific needs of this growing segment of the fitness center program.

SilverSneakers® Cardio

FREE CLASS FOR Silver Sneakers Members!

Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing workout. The workout includes low impact movement, and strength exercises using hand-help weights, elastic tubing and a ball. A chair is used for standing support, abdominal conditioning, stretching and relaxation exercises.

SilverSneakers® Classic

FREE CLASS FOR Silver Sneakers Members!

Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

SilverSneakers® Yoga

FREE CLASS FOR Silver Sneakers Members!

Yoga Stretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

SilverSneakers® Splash

FREE CLASS FOR Silver Sneakers Members!

Activate your aqua exercise urge for variety! SilverSplash® offers LOTS of fun and shallow water moves to improve agility, flexibility and cardiovascular endurance. No Swimming ability is required, and a special Silver Sneakers kickboard is used to develop strength, balance and coordination.
