# Fitness Class Descriptions:

## **Aqua Arthritis** ☺

Class improves joint flexibility, reduces pain, and stiffness while supported by the water's buoyancy and resistance.

## **Aqua Fusion** ☺

This class will combine multiple formats to improve your overall level of fitness. A mix of strength and endurance exercises held in the shallow lap lanes, the instructor may also take you into the deep water diving well. Enjoy the buoyancy of the water while reducing impact on your joints.

## **Bike & Body** \*\*

30 Minutes of intense Cycling and 30 minutes of weights. Workout focuses on abdominals, upper, lower body or combination of all 3 components for an awesome workout. May also incorporate TRX® suspension bands.

## **H2O Boot Camp** ☺

Based on traditional Boot Camp style with Aqua drills & Thrills! A series calorie burner and best of all FUN!

## **H2O Kickboxing** ☺

Total body workout using kickboxing techniques.

## **H2O Total Body Splash** ☺

Using aqua weights and noodles to improve endurance, muscle strength, and coordination without the impact on your joints.

## **Indoor Cycling** / Location: 2nd Floor Cycling Area \*\*

Fun and challenging endurance strength workout. Simulate outdoor cycling with sprints, climbs and cadence drills.

## **Mat Pilates**\*\*

Condition the body from the inside out. Focus on core stabilization, muscle balance, proper alignment, strength, and flexibility. Based on founder Joseph Pilates. Bring sticky mat.

## **Phase Pilates** ☺

Learn the foundation of Joseph Pilates, the Founder of Pilates. Proper technique and form will be concentrated on.

## **RIP** ☺

Complete body workout using barbells and adjustable weights to tone and condition muscles while raising metabolic rate for rapid fat-burning.

## **Sunrise Yoga** ☺

Strengthen, stretch, and balance the body using Hatha Yoga practices and techniques.

## **Tighten N Tone (T.N.T.)** ☺

Learn proper body placement while using resistance. Endurance, range of motion, flexibility, posture, muscle strength and bone density will improve using weights and resistance tubing. Bring a mat.

## **Total Core**

Fast paced ab and core routine performed with different types of equipment that target different areas of the body.

## **TRX Circuit**\*\*\*

Total Body Resistance Training using adjustable straps and other equipment for multi-plane workout.

## **Zumba** ☺

A fusion of Latin and International music - dance themes that create a dynamic, exciting, effective fitness workout! Routines feature easy to follow dance steps combined with body sculpting movements.

We offer many classes featuring a large range of classes to the beginning user to elite user.

## **SILVERSNEAKER Classes**

### **CLASSES BELOW ARE FREE TO ALL SILVERSNEAKER MEMBERS:**

## **BOOM**

BOOM is a three-tiered program specially designed to service the needs of the active older adult population. Each class will include action (BOOM Muscle), dance (BOOM Move It), and mind/body (BOOM Mind) formats to cater to the specific needs of this growing segment of the fitness center program.

## **Cardio Circuit**

Raise your heart rate with low impact movements and increase strength using hand held weights, elastic tubing, and the small ball. A chair is used for standing support, abdominal conditioning, and stretching. Class is in standing position for 35-40 minutes.

## **Cardio Fit**

An aerobic class that is a heart healthy and gentle on joints. Taught with low impact or high impact moves that includes strengthening the upper body, abdominal conditioning and stretching. Must be able to stand the entire class (no chair is used). Floor exercises may be included at instructors discretion.

## **Classic**

Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

## **Yoga**

Yoga Stretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

## **Splash**

Activate your aqua exercise urge for variety! SilverSplash® offers LOTS of fun and shallow water moves to improve agility, flexibility and cardiovascular endurance. No swimming ability is required, and a special Silver Sneakers kickboard is used to develop strength, balance and coordination.
